REPORT

The Calendar Review Committee met four times to draft the district calendar for the 2018-19 school year. Committee Members include Administration, representatives from Elementary, Middle and High School levels, Athletic Directors, Teachers and Human Resources. The calendar is consistent with the 2017-18 calendar in terms of the elementary assessment days. In addition, we are proposing an additional data day for the elementary schools in February, an additional staff development day for all teachers in November, and beginning the high school year with a transition day for 9th grade only on September 4th.

The 2018-19 calendar is coming before you for a first reading. The calendar will be presented to the Board at the May 25th meeting as an action item for final approval.
