### REPORT

This past year, all three high schools in the district made the switch from using Campus Portal to Schoology for grading and assignments. In this student presentation, how Schoology is used, what it is, and how much students, staff, and parents understand it will be discussed.

In accordance with the District's Strategic Plan for Personalization and Climate and Culture, this presentation will address the objective and importance of Schoology and how it is used across the three high schools.
