REPORT

In 2017, the Legislature amended the length of the school year and hours of instruction to include the option of a school district to utilize e-Learning days due to inclement weather.

South Washington County School's has consulted with the teacher's representative and developed an e-Learning plan as an option for staff and students in the event of a closure due to inclement weather.

Kelly Jansen, Director of Teaching and Learning, will present the District's proposed e-Learning plan. Pending Board approval and an agreed upon teacher contract, the plan may be used in the event of a school closure due to inclement weather in the 2019-20 school year.
