## REPORT

In preparation for the fall 2017 levy election, Peter Leatherman from The Morris Leatherman Company has drafted community survey questions. Peter will be present to review the drafted survey questions with the Board. The purpose of the survey is to understand the community's perception of the work we do as a district, as well as the efforts of the School Board and staff on behalf of the students we serve. Also included in the draft survey are questions regarding the potential upcoming referendum, which will help the Board finalize what questions will be on the 2017 ballot. A number of questions have remained consistent over time and will allow us to see trends through surveys conducted in the past.
