REPORT

Intermediate districts are eligible for Long Term Facility Maintenance Revenue through the LTFM process administered by the Minnesota Department of Education.

For taxes payable in 2020, Northeast Metro 916's LTFM total levy is \$ 144,000. South Washington County Schools' portion of that levy will be determined later.

I recommend that the School Board approve the attached resolution for the following reasons:

- The resolution is required so that Northeast Metro 916 can collect LTFM revenue.
- Students from our district will benefit as the health and safety conditions in Northeast Metro 916 facilities are corrected and improved.

The School Board is asked to approve the attached resolution approving Intermediate District 916's LTFM budget and authorizing inclusion of proportionate share of those projects in the District's application for LTFM revenue.
