III. WHY WE PLAY

The mission of the Park High School Activities Department is to create learning opportunities for students to develop character, become well-rounded citizens, and achieve excellence in their activities, school, and community.

I strive to provide leadership and growth opportunities to coaches, directors, and advisors so that students can have a positive experience and learn life lessons in competitive and/or educationally-based activities. Student Leaders' Core Values – Fun, Passion, Family, Commitment

We believe success is based on the achievement of our purpose. Success is having fun, seeing growth in students, and knowing that you made your best effort to reach individual and team goals. Success is being a part of something bigger than yourself and is best determined years after students graduate.
