ADMINISTRATIVE REPORT

TO: Members of the School Board
Keith Jacobus, Superintendent

FROM: Michael T. Vogel, Interim Director of Facilities and Construction
Management

DATE: June 14, 2018

TOPIC/PURPOSE OF REPORT: School Assignment for New Build Neighborhoods

RECOMMENDED BOARD ACTION: Approve the creation of Neighborhood Group W63A and assign it to the Liberty Ridge Elementary attendance area

DATE FOR BOARD ACTION: June 21, 2018

REPORT

Administration is recommending the school board approve the creation of Neighborhood Group W63A consisting primarily of two new residential developments, High Croft and Glenview Farms, on the eastern edge of W-63 and assign the newly created NG to Liberty Ridge Elementary school. Changing the attendance boundary for the future development areas for 2018-19 before homes have been constructed lessens the impact of the boundary change on future residents and will reduce the potential for future overcrowding at Red Rock Elementary.

This change would have no immediate effect on LRES enrollment but would gradually add approximately 125 students over the next 4-5 years as development occurs. Administration has informed the developers and the city of Woodbury of the recommended boundary change and the only resident within the change area with elementary age children has indicated they are amenable to the boundary change.

A map of the proposed boundary change area is included for board members review.
