REPORT

Nuevas Fronteras Elementary School bid pack #3 for construction of new additions, and miscellaneous mechanical and plumbing work is being advertised on June 6 and June 13. Bids will be publicly opened at 2:00pm on Wednesday June 20, 2018. Administration will hand carry the award recommendation to the board on the evening of June 21st. The short turn around for board action is required due to the July school board meeting schedule containing only one meeting on July 26th. The month long delay between bid opening and awards would cause delays in some aspects of the work being completed on schedule.

Award of the contracts resulting from Bid Pack # 3 will close out the bidding on the Nuevas Fronteras project. It is anticipated that the award recommendations will be in alignment with the budgets for the proposed work scope.

17 bids were received for the 4 bid divisions. The total amount of the award recommendation is \$3,839,500. Funding for bid pack #3 is included in the 2015 bond referendum. Bid award amounts fall within the identified budget parameters. A bid tabulation and award recommendation letter are attached.
