TOPIC/PURPOSE OF REPORT: Renaming of Existing Oltman Pool

REFERENCE TO POLICY/STRATEGIC PLAN Policy 801.2 – Naming of District Facilities

RECOMMENDED BOARD ACTION: Discussion

DATE FOR BOARD ACTION: July 26, 2018

REPORT

School District facilities (buildings or sites or athletic/activity locations) shall be given names likely to retain meaning for students and citizens during the projected life of the facility.

Each district pool must have a unique name for licensing and programming purposes and with the opening of the new Oltman Middle School the district must rename the pool at the existing Oltman School. Administration is recommending the pool receive a name that is simple, descriptive and non-controversial for the pool at the current Oltman Middle School site. This pool will remain open and allow the district to expand aquatics programs and swim lessons by having a pool that is open for community use during the day as well as evenings and weekends. Administration would like to recommend for renaming the existing pool as “**South Washington County Schools Community Pool**”.
