REPORT

Formal Guidelines are necessary to ensure the school system responds to its mission and operates in an effective, efficient and consistent manner. In general, policies are reviewed every three years. The 200 Series Policies have been reviewed and revised to reflect updates in Minnesota Statute, definition of terms, legal references and cross-references. Administration presented the first reading of these policies at the meeting on August 3, 2017. No changes were requested. The current policies are available on the District's website. Administration is recommending approval of the 200 series polices as presented.
