REPORT

At the August 3, 2017 School Board meeting, the Board eliminated Plan G from consideration and recommended final approval between Plan C or C-3 at its September 7th School Board meeting.

On September 7, 2017, we seek the final approval of Plan C or C-3 in order to move forward with the implementation planning for the 2018-19 school year.

Mike Johnson and Mike Vogel will present the process, articulate each plan's strengths and concerns, and detail the implementation process. We will also provide the Board the opportunity to ask questions of the plans and implementation.
