REPORT

South Washington Schools Administration has begun the Long- Range Facility Planning process to study and address space and physical plant needs. The School Board approved the guiding change document for this process at its June 20, 2019 meeting.

Both a LRFP Steering Committee and a LRFP Task Force have been established, and as of September 26, both committees will have met three times.

An update on the progress of LRFP process, including the latest demographic study results, will be presented to the School Board.
