Personalization Efforts at Woodbury High School

SARAH SORENSON-WAGNER, WHS PRINCIPAL

October 4, 2018

WHS Personalization

We will intentionally reach out to individual students in order to build personal relationships. Each teacher will create a documentation system to track efforts.

1. Look at one class roster.
2. Can you identify something about each student?
3. Make a short list of students that you will intentionally get to know better in the next month.
4. Share one success story from last month with the colleagues at your table.
5. Share a system of documentation that you might try to implement.

Good News Cards

Each teacher take 3 (5 minutes to write)

- Who contributes to a positive classroom culture?
- Who is often overlooked for recognition?
- Who needs encouragement to push themselves looking forward to registration (AP/Honors)?
- Who did well in fall academics/arts/athletics (Achieved WHS Vision)?
- Demonstrates a characteristic of the Woodbury Way?
- Who do you need to see before/after school/During ROAR?
- Who needs acknowledgement for their hard work – demonstrating commitment?
