Newport Elementary

Rich Romano, Principal at Newport Elementary School, will share that Newport Elementary has had academic success and has been a "beat the Odds" school two of the last three years. Newport Elementary almost made the list again last year. Newport Elementary also is building a student culture and climate with the values of the Work, Respect, and Belong positive behavior program.

Liberty Ridge Elementary

Mike Moore, Principal at Liberty Ridge Elementary School, will share that Liberty Ridge Elementary has built a positive climate and culture through student centered committees, staff noticing the students, highlighting its diversity through the newscast, and an adoption of Conscious Discipline. Liberty Ridge uses its resources to meet the unique needs of all students.
