REPORT

The purpose of the board presentation is to update and inform on the transition year to our new accountability, reporting, school improvement and recognition system under the Every Student Succeeds Act (ESSA). There are changes underway, while others will change more slowly over the next school year.

The Minnesota Department of Education (MDE) will report minimal data in the areas of ESSA accountability system in this transition year (2017-2018). Multiple Measurements Rating (MMR), Adequate Yearly Progress (AYP) and Annual Measurable Achievement Objectives (AMAO) will not be computed and released.

The school board presentation will highlight in more detail the items that go away, stay the same and are new from MDE.
