

## **616 SCHOOL DISTRICT SYSTEM ACCOUNTABILITY**

### **I. PURPOSE**

The purpose of this policy is to focus public education strategies on a process which promotes higher academic achievement for all students and ensures broad-based community participation in decisions regarding the implementation of state and federal academic standards.

### **II. GENERAL STATEMENT OF POLICY**

**Implementation of the Minnesota Academic Standards and federal law will require a new level of accountability for the school district.** The school district will establish a system to review and improve instruction, curriculum and assessment which will include input by students, parents/guardians and local community members. The district will be accountable to the public and the state through annual reporting.

### **III. DEFINITIONS**

**A. “Credit” means a student’s successful completion of an academic year of study or a student’s mastery of the applicable subject matter, as determined by the school district.**

**B. “Graduation Standards” means the credit requirements and locally adopted content standards or Minnesota Academic Standards that school districts must offer and certify that students complete to be eligible for a high school diploma.**

**C. “World’s best workforce” means striving to: meet school readiness goals; have all third grade students achieve grade-level literacy; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.**

### **IV. ESTABLISHMENT OF GOALS; IMPLEMENTATION; EVALUATION AND REPORTING**

#### **A. School District Goals**

1. The school board has established school district improvement goals which provide broad direction for the district. The improvement goals will be reviewed

annually and approved by the school board. The school board will adopt the goals based on the recommendations of the World's Best Workforce Committee (the committee).

2. The districtwide improvement goals will address recommendations identified through the committee's process and the district's strategic planning process. The district's goal setting process will include the alignment of individual school improvement goals with district improvement goals.

#### B. System for Reviewing All Instruction and Curriculum.

The district will use the curriculum and program review cycles as defined by Policy 603 (Curriculum and Program Review and Development) to analyze the district's progress toward implementation of the state standards.

1. Reviewing the district instructional and curriculum plan, including the implementation of state standards;
2. Identifying annual instruction and curriculum improvement goals for recommendation to the school board.

#### C. District Data and Assessment Committee

1. By December 31st of each year, the committee will meet to advise and assist the district in the implementation of the district system accountability and continuous improvement process and program evaluation.
2. The committee will reflect the diversity of the community and will work in cooperation with other district committees; it will also provide active community participation in:
  - a. Making recommendations regarding the evaluation process that will be used to measure district progress toward its improvement goals;
  - b. Making recommendations regarding the development of the "World's Best Workforce Report."
3. Monitoring the district and schools' student achievement levels, especially as they relate to meeting Minnesota's ESSA goals in the five areas:
  - a. Academic Achievement;
  - b. Academic Progress;
  - c. Graduation Rate;
  - d. Progress Toward English Language Proficiency; and
  - e. School Quality/Student Success.

4. Consistent with Minn. Stat. § 120B.125, the committee will review the implementation of education and career planning including personal learning plans to ensure a smooth a successful transition to postsecondary education and or employment.
5. Translation services should be provided to the extent appropriate and practicable.

D. Evaluation of Student Progress Committee:

A committee of professional staff shall develop a plan for assessment of student progress toward Literacy by Grade 3 and the State Standards, as well as program evaluation data for use by The Committee to review: instruction and curriculum; cultural competencies, including cultural awareness and cross-cultural communication; and student achievement at the school sites.

E. Reporting

1. Annually, the school board will hold a public meeting to review and revise, where appropriate, student achievement goals, local assessment outcomes, plans, strategies, and practices for improving curriculum and instruction, and to review school district success in realizing the previously adopted student achievement goals and related benchmarks and the improvement plans leading to the world's best workforce.
2. Consistent with the requirements for school performance reports under Minn. Stat. § 120B.36, Subd. 1, the school board will publish a report in the local newspaper with the largest circulation in the district, by mail, or by electronic means such as on the school district website.
3. The school board must transmit an electronic summary of its report to the Commissioner in the form and manner the Commissioner determines.
4. The school district will periodically survey affected constituencies in their native languages, where appropriate and practicable, about their connection to and level of satisfaction with school. The school district will include the results of this evaluation in its summary report to the Commissioner.
5. The school performance report for a school site and a school district must include performance reporting information and calculate proficiency rates as required by the most recently reauthorized Elementary and Secondary Education Act.
